A celebration of Saskatoon's finest eats and cultural treats!

The Seventh Annual Chefs' Gala & Showcase returns this February 6th when the Saskatoon Chefs' Association joins forces with Little Opera On the Prairie, Live Five Theatre and Ritornello Chamber Music Festival to present a fantastic celebration of our city's best eats and cultural treats. Theatre, opera and chamber music will intermingle with seven delicious courses by some of Saskatoon's finest culinary artisans - a night out that's definitely not to be missed!

For seven years, the Saskatoon Chefs' Association has partnered with various non-profits to offer an unforgettable evening of delicious food and entertainment while raising funds and awareness for these community organizations. This edition of the gala brings together four organizations in support of our city's cultural fabric.

Little Opera On the Prairie (LOOP) aims to increase the demand for opera in the community by creating innovative performances and events that will attract and engage new and existing audiences as well as generate work and performance opportunities for Saskatchewan artists. www.loop-opera.ca
